It puts a healing, soothing coating over the swollen, tickling membranes, and eases the thick and choking sensation. Helps you to breathe easily and naturally. Mrs. Agatha Longacker, Fon du Lac, Wis., says: "My left lung was greatly affected by a severe cold, and one-half bottle of Foley's Honey and Tar cured me." Refuse any substitute offered. J. C. Perry.

There is sure and wholesome action in every dose of Foley's Cathartic Tablets. They cleanse with never a gripe or pain. P. A. Morgan, Gore, Ga., writes: "I lately had occasion to use a liver medicine, and took Foley's Cathartic Tablets. They thoroughly cleaned my system, and I felt like a new man—light and free." Chronic cases of constipation find them invaluable. Stout people are relieved of that bloated, congested feeling, so uncomfortable, especially in hot weather. They keep your liver busy. J. C. Perry.

Taking Big Chances.

It is too great a risk to depend upon neighbors or sending for medicine in case of a sudden attack of bowel complaint. In almost every neighborhood someone has died from cholera morbus that could have easily been saved had the proper medicine been at hand. Then think of the suffering that must be endured until medicine can be obtained. The safe way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It has never been known to fail and has undoubtedly saved the lives of many people. Buy it now. It only costs a quarter. For sale by all dealers.

CITROLAX FOR GROWN-UPS.

Citrolax for Invalids and Delicate Ones. Children love to take CITROLAX—tastes like lemonade and is the nicest physic in the world for them. Nothing better for constipation, sour, distended stomach, bad breath or biliousness. Stomach headaches quickly. J. C. Perry.

HENRY RILEY DIES
AFTER 54-DAY FAST

Los Angeles, Cal., July 31.—After fasting for 54 days, Henry Riley, aged 30, said to be the son of a prominent Philadelphian, is dead today at "Health Acres", a private sanitarium at Baldwin Park.

Mrs. E. C. Roney, proprietor of the sanitarium, told Coroner Hartwell that Riley undertook his fast as a treatment for asthma. She declared that he acted upon his own determination and that already had begun his fast when he came to her establishment.

Hartwell gave physicians who were called on the day of Riley's death permission to sign a death certificate holding that Riley had reached maturity and therefore was free to undertake any treatment he chose.

STEAMER OREGONA CAN
RUN ON WET GRASS

Backing her reputation of being the lightest draft carrier of her capacity in the country, the steamer Oregona of the Yellow Stack fleet, is making the run from Portland to Salem in the face of the fact the stage of the Willamette here is seven-tenths of a foot above zero. At Albany the river is nine-tenths of a foot above zero and at Willamette it is one and two-tenths feet above, while at Portland the gauge shows eight and seven-tenths feet above.

The steamer Grahamona, of the Yellow Stack fleet, which has been out of commission here for a month, carried the Foresters and their friends on an excursion last night. She will not be used on the upper river during the low-water period, as the Oregona and Pomona can take care of the trade.

LANE COUNTY WANTS CHAPIN.

As a result of the announcement that F. W. Reader, Lane county agriculturist, will enter the department of agriculture of the United States government, Lane county authorities are bending every effort to secure Luther J. Chapin, Marion county's agriculturist. It is probable, unless the Marion county court sees fit to assist in maintaining him here, that Salem and the county will lose the agricultural expert to Lane county.

The value of the work done among the farmers by the agriculturists in giving advice concerning crops and soils is fully appreciated by the Lane county officials and they expect to land Mr. Chapin to tell their farmers how best to cultivate their crops.

Groups of Girls About Town Find Lightful Recreation in Absorbing and Useful Occupation.

Did you notice the young girls in your neighborhood sitting on the front porches in groups of four and five having the most delightful time? Well, they have formed "embroidery parties," and they have discovered that while the sun is shining too brightly for them to romp around they can sit quietly on the porch, in the sewing room, on the lawn under the trees in the sewing room, as their fancy dictates, and make the most dainty embroidery for wearing apparel that the heart could wish for.

What are your little girls doing? They want to learn to embroider all these beautiful pieces and it requires just a few minutes of your time to start your girls and their friends in the happiest pastime known—doing embroidery.

When you see the exquisite items you can make you will want to take part yourself. Only 68 cents and 4 coupons of consecutive dates, clipped from the columns of The Capital Journal. Call and see the outfit—200 patterns, pamphlet of instructions, 5 skeins of floss, 5 skeins of silk and an all-wood headed "Cupid" hoop. You can equip your loved ones with the most fascinating, enjoyable and profitable amusement you and they could possibly wish for. Do it now!

TAKING THE LID OFF
PURE FOOD REGULATIONS

Washington, July 30.—Because of a shortage and prevailing high prices, the department of agriculture announced today that meat inspection rules, effective November 1, will permit packers to sell as "second class sterilized" certain meat animals with "local diseases." The meat, however, must be labeled as such. It was said that investigation showed that good meat had been condemned because of strictly localized cysts and lesions in the animals.
